

COMPANY PORTFOLIO

CREATING STYLISH INTERIOR

The background of the slide features a dark, moody photograph of several vintage-style light bulbs hanging from thin wires. The bulbs are out of focus, creating a bokeh effect with soft, glowing light. The overall color palette is dark with warm, golden-yellow highlights from the bulbs and the text.

WHO WE ARE

OUR CLIENTS PORTFOLIO

Clients mean everything

Brighter spaces is determined to remain as intimate in size as our team to client connections. Clients do mean everything. Brighter spaces is proud to boost countless repeated clients who consider Gill Ingosi as their interior designer for life. Satisfying their spaces with quality design, creative imagination and dedication. Our clients in return share their new homes with the world and mostly their friends and family.

GILL INGOSI

Senior design consultant

Gill is known for effective communication, trustworthiness and brilliant design quality. She understands client's stories and virtually interprets them in a marriage of smart design and functionality.

WHAT WE DO

Project Consultation

Our non obligatory consultation aimed at gathering your design and renovation requirements and preference s that are based on your budget.

Project Execution and Management

Our non obligatory consultation aimed at gathering your design and renovation requirements and preference s that are based on your budget.

Design Proposal

Upon confirmation of our contract, we will furnish our design proposals together with project schedule. We will communicate closely with you and provide you with a visual representation of our design proposal. This will ensure that every aspect of the project matches your requirement.

In addition we:

Provide professional perspective drawings that capture design and construction details. Allow you to deliberate potential constraints through our floor plans, carpentry detail drawings and 3D drawings.

Project Handover

Upon completion we provide after sales service that include after 3 months warranty to rectify any possible defects in material and workmanship.
